King Quality

SHOES FOR MEN

Fit the Foot

It isn't easy to make shoes fit the foot. If it were, more shoemakers would do it.

Ordinarily the foot, more plastic than new leather, is called upon to fit the shoe. That's what "breaking in" a new shoe means. Really it is the foot that is broken in. Hence all the ills the foot is heir to. It means much to the wearer to have the shoe fit the foot.

Here's a shoe that does. That's one reason why it's called King Quality.

SUBSCRIPTIONS ARE SLOW COMING NOW

For the last week or two the Confederate Reunion Fund has been moving upwards at a snail's pace, and it now begins to look very much as if the old soldiers will fail to raise all of the \$25,000 they need for the entertainment of their visitors.

It is probable, however, that the amount in hand will be increased several thousand dollars more before May 30th, and there are still a few optimists who hope to see the entire amount procured.

Yesterday's contributions were:

The Bell Book & Stationery Company.....\$ 25.00

W. P. Poythress & Co..... 5.00

Previously acknowledged.....\$ 30.00

Total to date.....\$20,296.67

services in the Holiness Tabernacle in this city, and large crowds went to hear these preachers, who spoke in peculiar and unintelligible accents, claiming to have the Pentecostal Baptism. The Holiness congregation, however, have closed the doors of their church to them, and it is rumored that they intend to come back with tents and found a Garden of Eden in Lumberton.

TO DUKE'S MEMORY.

Handsomeness Church in Durham Memorial to J. B. Duke's Father.

[Special to The Times-Dispatch.]

DURHAM, N. C., March 26.—The beautiful new edifice being erected by the members of the Main Street Methodist Church in Durham will be probably the handsomest church in the State, and will cost \$130,000. Actual work on this church began several days ago and will be pushed rapidly forward, but will require more than a year for completion. The plans and specifications have been submitted by Northern architects who have the work under their direction. The old church, which is at present being used by the Methodist congregation, will stand as a memorial to the late Washington Duke, who was a faithful and consistent member. The Christian congregation have been given permission to worship at this church when the new one is completed. The handsome architectural work of the new structure will be a thing of beauty, and is being erected in one of the most desirable residential sections of the city, on West Chapel Hill Street. Before the foundation was laid the board of stewards and the pastor visited several Northern cities and were shown churches from which they made selections for the erection of the one in this city. The beautiful new structure was made possible by Mr. J. B. Duke, a resident of Durham, and a stockholder in the American Tobacco Company. His gift will amount to \$100,000. The remaining \$30,000 will be subscribed by the members.

TOM WALKER TRIES TO KILL HIMSELF

Negro Charged With Killing Police Officers Makes Attempt to Butt Brains Out.

DROPS FROM ROOF OF CELL

Lands on Head and Doctor Finds Him in Pool of Blood.

[Special to The Times-Dispatch.]

FAYETTEVILLE, March 26.—At 2 o'clock to-day the twelfth juror was in the box for the trial of Tom Walker for the murder of Chief of Police Charron and Officer Lockamy.

At the afternoon session Judge Webb ordered the prisoner to be brought into court. There was a delay, and presently Sheriff Walters, court clerk, and a constable, and at the same time Dr. A. S. Rose, county physician, was called out. An excited whisper buzzed throughout the crowd that Walker had killed himself. It developed that he had, really attempted to beat out his brains against the walls of his cell, and had very badly cut his head. The matter became still more serious, when Rev. I. W. Hughes, rector of St. John's Church, was summoned to the jail. Dr. Rose appeared in court, and at the direction of Judge Webb stated that he found Walker in a pool of blood, with four or five lacerations of scalp, one depressed fracture of skull and four hand contusions, and that he could not possibly operate.

The trial was postponed until to-morrow. Walker must have gotten to the top of his cell and hurled himself, head first, down to the stone floor. Crowds gathered about the jail at the news, but there was no disturbance or demonstration.

KILLS BROTHER.

Game of Cards Ends in Death of One of Players.

ASHEVILLE, N. C., March 26.—Avery Pulliam, of Cherokee county, Sunday evening shot and killed his brother, sending three bullets into his body. He was arrested immediately afterwards and taken to Murphy, where he is now in jail. He refuses to make a statement as to why he killed his brother, further than to state that it was necessary, and that the shooting was done to save his own life. Witnesses at the coroner's inquest testified that the two brothers were playing in Andrews about 3 o'clock Sunday afternoon. They left Andrews in company with two other men, and were taken to Murphy, where they were playing a game of cards. A dispute arose between the brothers and the other men, and the shooting was the result. Avery Pulliam's clothing was slashed as if by a knife, and an open knife was clenched in the hand of the dead man when he was found.

STILL MORE PROOF

That Dr. Williams' Pink Pills Have Cured Even the Most Stubborn Cases of Rheumatism.

"When I was a boy of sixteen," says Mr. Otto H. Rose, a retired grocer, of 1229 Lexington Avenue, Indianapolis, Ind., "I met with a serious accident which injured the bone of my head over the right eye. I recovered from the accident to all appearances, but not many years after I began to have intense pains in the injured bone, which came on every year and would last from a few days to several weeks.

"I consulted the doctors, who told me that I was suffering from neuralgia. The sight of my right eye was affected, so that at times I could scarcely see out of it, while both eyes watered constantly. During these attacks I was often dizzy from the terrible pains. The pains came on every morning and passed away in the afternoon. I never suffered from the pain at night.

"I tried without success to get relief until a friend told me to try Dr. Williams' Pink Pills. When I had taken a few boxes I felt the pain growing less intense and in a much shorter time than I had hoped for I was entirely cured. I have recommended the pills to several persons, who have used them with good results.

"My wife uses Dr. Williams' Pink Pills for nervous headaches and finds them the best remedy she has ever used as they give relief where all others fail."

Dr. Williams' Pink Pills are sold by all druggists or sent, postpaid on receipt of price, 25 cents per box, six boxes \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

An instructive booklet, entitled "Nervous Disorders," will be sent free on request to any one interested.
